

To: Board of Directors

From: Douglas Beresford

I am submitting my name as a candidate for one of the positions in the upcoming election for the board. I have been a FL owner since 2009 and have previously served on the Architectural and IT committees, along with volunteering around the park.

I believe some of my previous experience would be an asset to decision making as a board member. I am a retired nurse. During my fulfilling career I held a license in several states along with being a state certified Medicaid provider. Some of the positions held include: Occupational health nurse for Wegmans, Senior nurse for NY DDSO, Senior nurse in Mental Health in NY and MD, Senior IV Specialist for the U of R, and self-employed transitioning ventilator dependent infants from NICU to home care setting. Outside of nursing I owned and operated a laundromat for 10 years along with a painting company. I have also spent extended time in missions working in the Dominican Republic amongst the Haitian villagers in the sugar cane fields.

As a board member, I would work to represent the best interest of the community. I would work to maintain and preserve the natural beauty of the park, ensure financial stability and accountability for both now and the future, and work to incorporate changes beneficial to everyone.

Due to the possibility of there not being a candidates night , if there are any questions I may be reached at 585-813-9112 or by email at u2canbelieve@yahoo.com
